ACTIVITIES OF THE SEPTEMBER MONTH

Little Radhas & Krishnas

A Joyful Janmashtami Celebration

On **3rd September 2026**, our little learners celebrated Krishna Janmashtami with great joy and enthusiasm. Dressed as adorable Radhas and Krishnas, the children brought the festive spirit alive with their colourful traditional attire.

The celebration included an engaging story and skit on the birth of Lord Krishna, helping children connect with the significance of the festival. The little ones also enjoyed dance performances, playful activities, and fun-filled classroom experiences inspired by Krishna's childhood.

It was a beautiful day filled with music, laughter, innocence, and festive cheer, creating joyful memories for our young learners.

Teachers for a Day

A Celebration of Learning & Gratitude

On **7th September 2026**, our students celebrated Teachers' Day in a unique and joyful way. Many students came dressed as their favourite teachers, enthusiastically recreating their styles and classroom roles. Some even stepped into the teacher's shoes and took classes, explaining concepts and interacting with their classmates. Through this experience, students discovered the importance of teachers as community helpers and gained a deeper appreciation for the patience, knowledge, and care that teachers bring to everyday learning. The day was filled with laughter, learning, role-play, and special moments with their teachers, making it a memorable celebration for everyone.

Ganesh Chaturthi

Creativity Rooted in Tradition

On **11th September 2026**, our students celebrated Ganesha Chaturthi with enthusiasm and creativity. A few students narrated the story of Lord Ganesha and his life, bringing the significance of the festival alive for their peers. The celebration also included clay modelling, where students shaped their own Ganesha idols, while some collaborated in groups to create a larger Ganesha form, showcasing their teamwork, imagination, and creativity. Celebrating such festivals at school helps our students stay connected to their culture and traditions while learning the values and stories behind them. It was a joyful experience that beautifully blended learning, creativity, collaboration, and cultural connection.

Animal World

Exploring Life on Land, Water & Air

On **17th September 2026**, our Activity of the Month – Animal World turned the school into a vibrant world of creatures from land, water, and air. Each class explored one habitat, with students coming dressed as lions, birds, fish, mermaids, and other fascinating animals. Through engaging activities, students learned about the habitats, body structures, and unique adaptations of different animals. They also visited other classrooms, beautifully decorated around the three themes, giving them an opportunity to observe, explore, and expand their understanding beyond their own classroom. It was a joyful hands-on learning experience that encouraged curiosity, imagination, and a deeper appreciation for the wonderful animal world around us.

A Day of Fun at Stop N PLay Zone

Learning, Moving, and Growing Together.

On **18th September 2026**, our students stepped outside the school boundaries for a fun-filled field trip to the Stop N Play Zone. It was a wonderful opportunity for them to simply enjoy, play, and create happy memories with their classmates. The play zone echoed with laughter, excitement, and endless fun as students explored and enjoyed the different activities together. The journey itself was just as enjoyable, filled with cheerful conversations, songs, and precious moments shared with friends and teachers. It was a refreshing day where our students could play freely, bond with one another, and enjoy the joy of being together beyond the classroom.

On **24th September 2026**, our students participated in a vibrant Show & Tell Competition on the theme "My Favourite Festival." With colourful and creative projects as visual aids, students spoke about festivals such as Pongal, Diwali, Dussehra, Ganesh Chaturthi, and many more. The projects beautifully complemented their speeches, while the students confidently shared what made their chosen festivals special to them. The activity encouraged public speaking, creativity, expression, and cultural awareness, giving every child a chance to speak with confidence and pride. It was wonderful to see our young speakers express themselves so enthusiastically and bring the joy of their favourite festivals alive through their words and creations.

Fancy Dress Competition

Best Out of Waste

On **30th September 2026**, our students brought creativity and environmental awareness together through a Fancy Dress Competition on the theme "Best Out of Waste." Dressed in unique and imaginative costumes made from reusable and discarded materials, our young participants beautifully showcased how waste can be transformed into something meaningful. Through their creative presentations, students spread the message of Reduce, Reuse, and Recycle, reminding us that small choices can make a big difference to our planet. Their colourful costumes and confident expressions reflected a wonderful understanding of the importance of protecting our environment and building a sustainable world. It was a fun-filled celebration of creativity, awareness, and responsible choices, proving that learning about sustainability can be both meaningful and exciting.

A MESSAGE FROM THE HEART OF SANCTUS

At **Sanctus**, every child's smile, growth, and happiness hold a special place in our hearts. We sincerely thank all our parents for being our constant partners in nurturing young minds with love, care, and values. Your trust and support inspire us to create joyful learning experiences every day. Together, let us continue to shape beautiful memories and a bright future for our little learners.
